Introduction

YOUR Platform is an online wealth management service that is hosted at **YOUR-Platform.co.uk** and includes all pages and sub-domains, which may, from time to time, include other external pages which have been identified by us, as forming part of the Platform (the **Platform**).

These terms and conditions include the Schedules, the Platform Charges Schedule, the Custody Schedule and any document incorporated by reference (the **Terms**). The Terms form the terms and conditions on which YOU Asset Management Limited (**we, us, our**) agree to provide the Platform, Platform Account, Investment Account and/or any associated services (**you, your**).

YOU Asset Management Limited is authorised and regulated by the Financial Conduct Authority (**FCA**) with firm reference number 543459. Our details can be checked on the Financial Services Register (<https://register.fca.org.uk/>).

The Platform is only available to you via a firm that is authorised by the FCA and that you have appointed to provide you with financial advice and to operate your Platform Account (the **Adviser Firm**). Your Adviser Firm must have entered into a separate agreement with us. In this document any reference to financial advice will include provision of any advice provided from a suitable regulated individual or business, including when provided from a digital or algorithm-based service.

You may also appoint (or the Adviser Firm may appoint for you) a firm that is authorised by the FCA to manage investments to provide you with discretionary investment management services in relation to your Investment Account on the Platform (the **DFM**). If this is the case, the DFM must enter into a separate agreement with us. In some circumstances, we may act as your DFM, in which case we will enter into a separate agreement with you in respect of our appointment as DFM.

Your Adviser Firm is responsible for all the advice and financial planning services that you request and the DFM, where appointed, will manage your investments. We have no responsibility to review your Platform Account and do not provide advice about the suitability of any Investment Account or the investments you hold within it.

By accepting these Platform Terms & Conditions, you agree that you will enter into a separate agreement between you and your Adviser Firm and/or your DFM, to give your Adviser Firm and/or your DFM all necessary authorisations and consents for them to act on your behalf in relation to the Platform in accordance with and subject to these Terms, including authorising your Adviser Firm to:

- (a) give instructions to us via the Platform on your behalf;
- (b) receive information, reports and notices from us which your Adviser Firm will pass on to you as appropriate and applicable; and

- (c) instruct us, including in respect of the transfer of Cash or Assets, to meet your settlement or other obligations and/or to transfer your Cash and Assets to another custodian of your choice.

We have appointed Seccl Custody Limited to provide the Platform technology and Seccl also undertakes the execution and Settlement of investment trades for you. We have also arranged for Seccl as Custodian to hold your Cash and Assets safely, subject to the terms set out in Schedule 1 (Custody Terms). Seccl is authorised and regulated by the FCA with firm registration number 793200.

For the avoidance of doubt, your Adviser Firm and any DFM that is instructed remain responsible for their acts and omissions and their regulatory compliance. If you have any concerns about the suitability of your Platform Account or any Investment Account, you should contact your Adviser Firm or DFM in the first instance. We do not provide any advice and will not assess the suitability of investments for you. You should seek your own financial, legal or tax advice from your Adviser Firm or another suitably qualified professional. We are not responsible for any loss resulting from advice that you receive from your Adviser Firm or any other professional.

- 7.13. In instances where a payment to your Investment Account is unpaid for any reason, you will be held accountable for any loss that may arise due to market movement
- 7.14. You can instruct us and Seccl to 'raise a trade' based on the end of day price of the asset of the preceding business day, up to a maximum of 80% of the asset value. At the point that the trade executes, if you have insufficient units/shares to raise the

requested amount, based on the current day's price, the trade will not be executed. In this scenario you will be required to re-request the trade based on the new prices. We will only require the trade to be re-requested if, the difference in the price at the point of execution is greater than 20% from when the trade was instructed.

- 7.15. We reserve the right to remove the 'raise a trade' feature or change the maximum price variance at which a trade needs to be re-requested/re-booked.
- 7.16. You are not permitted to trade to take advantage of "market timing". This covers circumstances where, for a short period, Asset pricing does not yet reflect a potentially significant market impact. For example, a Fund with a Valuation Point of 12pm UK time may allow for trading in other time zones before being re-priced. Seccl will discuss suspected market timing activity with relevant third parties (such as Fund managers and stockbrokers) and adjustments may be applied after trades to account for major market movements.
- 7.17. Where there is a need to fulfil due diligence under FCA or UK anti-money laundering legislation we and Seccl reserve the right to defer Settlement. We may also ask you for additional documentation if required by us or third parties under UK anti-money laundering legislation and guidance.
- 7.18. Where there is a need to fulfil due diligence under FCA or UK anti-money laundering legislation we and Seccl reserve the right to defer Settlement. We may also ask you for additional documentation if required by us or third parties under UK anti-money laundering legislation and guidance.
- 7.19. For Funds, Seccl delivers Assets or the proceeds of a sale to your Investment Account when the trade Settles.
- 7.20. The proceeds of the sale of an Asset will usually only be paid to your Platform Account or to [a UK bank account in your name]. In some instances, Seccl may agree to pay the proceeds to another company appointed by you to act on your Platform Account, for example an FCA regulated company or a solicitor that operates a client money account.
- 7.21. Seccl will place any order in good faith and will assume you have understood that money placed in Assets outside the UK regulatory regime may not provide the same protection as UK Assets. For further information please refer to your Adviser and clause 34.
- 7.22. Seccl's policy in respect of the use of proceeds from the sale of Assets is as follows:
 - 7.22.1. Cash proceeds from confirmed (but not Settled) sales can be used to buy both new Assets or new investments in Model Portfolios.
 - 7.22.2. For investments outside of a Model Portfolio, new Asset purchases which have been confirmed (but not Settled) can be sold. However, for Model Portfolio rebalances, new Asset purchases must be Settled before being sold Seccl reserves the right to vary any aspect of the above policy without notice
- 7.23. Seccl has discretion to apply Cash to an Investment Account on a day other than a Business Day. After you have made your investment, Seccl may have to adjust your holding (for example, on the basis of instructions received from a Fund manager or counterparty)

8. Buying and Selling Funds via the Platform

- 8.1. Once cleared Cash is available in your Investment Account, Seccl will try to place any trades within the next two Valuation Points. For some Funds the next available Valuation Point may be later than one Business Day after the order has been placed.
- 8.2. Some Funds available on the Platform are dual priced. The price Seccl trades at for these Funds may be different to the price listed at a particular point in time on the Platform. It is you, your Adviser's or your DFM's responsibility to research the pricing of any Funds you select
- 8.3. Fund managers may automatically correct pricing errors and not inform Seccl if it is below 0.5% of the Fund value. There may be some occasions when your order is sold at the erroneous price, and the Fund manager will not correct the price.
- 8.4. Some Fund managers will only accept purchases or sales to the nearest decimal place as specified by them. In such circumstances there may be small residual amounts of Cash which will be retained within your Investment Account.
- 8.5. Settlement of a Fund sale will take place on the intended Settlement date at the point of execution
- 8.6. Please speak to your Adviser for more information on specific terms relating to Fund trading and pricing or contact our Client Services team

9. Buying and selling Exchange-traded assets via the Platform

- 9.1. Settlement of Exchange-Traded Asset transactions will be undertaken via CREST. CREST is the computer-based system which enables Assets to be held and transferred in un-certified form, and which is operated by Euroclear. Each CREST transaction will normally be Settled no later than two Business Days after the transaction date and following receipt of all the required documentation
- 9.2. Some Exchange-Traded Assets may only be traded to a 'lot size' specified by the issuer.
- 9.3. We cannot accept trades that do not Settle in sterling in CREST. Overseas Exchange-Traded Assets available on the Platform must have an arrangement with CREST that allows them to be Settled in sterling. If a foreign exchange rate is applied to a trade, this rate will be provided by the relevant third party at the point of execution of the trade
- 9.4. Prices of Exchange-Traded Assets displayed within your Investment Account reflect the latest daily and end-of-day prices respectively. Some Exchange-Traded Assets price less frequently (for example monthly). These prices should therefore only be used as an indicative price
- 9.5. Seccl will actively monitor Asset price movement and apply controls such as price tolerance checking. For example, where Asset prices move by greater than 5% from the previous Valuation Point
- 9.6. Seccl will not
 - 9.6.1. Deal in suspended Exchange-Traded Assets
 - 9.6.2. Accept short positions; or
 - 9.6.3. Undertake stock lending

10. Auto-invest Option via the Platform

- 10.1. You can make regular monthly contributions that can be auto invested. For Exchange-Traded Assets, the minimum is the amount of the last known whole share price

- 10.2. Regular contributions will be made on the 1st, 7th, 14th, 21st, or 28th calendar day of each month (or the next applicable Business Day) as chosen by you. For Exchange-Traded Assets, partial trades will not be placed.
- 10.3. Regular contribution instructions and auto investments will continue to be executed until varied or stopped by you via the Platform

11. Model Portfolios

- 11.1. Model Portfolios may be created by your Adviser Firm (either in their capacity as your Adviser Firm or in the capacity of a DFM) or by a third party DFM. Model Portfolios can then be linked to your Investment Account and your Assets managed in accordance with the Model Portfolios. You can invest some or all of your Assets in a Model Portfolio.
- 11.2. You must consent to Model Portfolios created by your Adviser Firm where they are not acting as a DFM. Your consent will also be required to any periodic balancing of your portfolio to realign Funds within Model Portfolios or to any changes to the composition of an Adviser Firm's Model Portfolio or you will no longer be able to be linked to a Model Portfolio. DFMs manage Model Portfolios with discretion.
- 11.3. You may hold Assets in more than one Model Portfolio at the same time within your Investment Account, but where your Investment Account contains different Sub-Accounts, each Sub-Account can only invest Assets in one Model Portfolio at a time.
- 11.4. When operating a Model Portfolio in which you have invested Assets, your Adviser Firm (either in their capacity as your Adviser Firm or, where applicable, as a DFM) or a third party DFM may, from time to time, instruct us to buy or sell Assets. For example, they may buy and sell Assets such as Funds to realign these Model Portfolios to certain proportions.
- 11.5. Depending on the investments held within a Model Portfolio, and the timing of confirmation receipts across those investments, there is the possibility that clients within a Model Portfolio may not receive the same execution price for purchases of further investments within the same Model Portfolio, owing to such timing differences. Please refer to the Order Execution Policy for further details of our approach to the handling, aggregation and allocation of client orders.
- 11.6. If your Assets are no longer linked to a Model Portfolio, you will remain invested in these Assets and no further rebalancing of Assets will take place. Your Adviser Firm can explain the implications of this to you.
- 11.7. Your Adviser Firm and, where appointed, your DFM, are responsible for monitoring and ensuring that any Model Portfolio matches the predetermined investment strategy and risk profile you have agreed with your Adviser Firm or DFM.

12. Withdrawals and transfers from your Platform Account

- 12.1. Any withdrawal or transfer requests are subject to the Settlement of any outstanding investment order(s), tax liabilities, and Charges. If we do not know how much the tax, Charges or other amounts will be, we may retain an amount of Cash that we feel is reasonable and appropriate. Any remaining Cash will then be paid to you or transferred out. If payment to you results in full removal of the Investment Account balance (for both Cash and Assets), we will close your Investment Account immediately on settlement of the withdrawal. If payment to you results in full removal

of the last Investment Account balance, we will close your Platform Account immediately on settlement of the withdrawal.

- 12.2. Subject to the Applicable Law and the applicable terms and conditions for the Investment Account you wish to make withdrawals from:
 - 12.2.1. you can make one-off and/or regular withdrawals;
 - 12.2.2. regular withdrawals can be paid monthly. They can only be paid into your Nominated Bank Account and will only be paid on a Business Day. Withdrawals must be a specified amount in sterling;
 - 12.2.3. if there is insufficient cleared Cash in your Investment Account on the date that a withdrawal payment is due to be made, the payment will not be made
- 12.3. Please refer to Section C for details on how payments can be paid from your SIPP.
- 12.4. You may be able to transfer out the cash value of your existing Assets with us, or your existing Assets to another provider (In-specie transfer or re-registration).
- 12.5. The ability to re-register Assets will depend on the receiving provider offering the exact same assets and share classes in the Investment Accounts to which you want to re-register them. We reserve the right to recover any re-registration costs that we incur in the re-registration process for example, where we have been charged by the new provider.
- 12.6. Transfer requests may be initiated by giving instructions to your Adviser Firm or the receiving provider. In the event of transferring Assets from your Investment Account, you must cease all trading on your Investment Account in those Assets.

13. Transfers between Platform Accounts and Investment Accounts

- 13.1. You authorise us to accept Cash transfer requests from your Adviser Firm for transfers between Investment Accounts within your Platform Account
- 13.2. Your Adviser Firm must obtain your authorisation to conduct transfers from your Investment Account and for ensuring any transfer is in accordance with the Applicable Law. We do not accept any liability for any tax or other Charges that apply to or arise as a result of any transfer made.

14. In-Specie Asset transfers/Re-registration

- 14.1. You may be able to transfer-in, but we are not obliged to accept, existing assets held in your name or from another provider into your Investment Account without us imposing any additional charge, where the terms of the Investment Accounts you have with us permit this and where it is possible for the particular assets.
- 14.2. You may be able to transfer, but we are not obliged to accept, the ownership of an asset "in-specie" without us imposing any additional charge, which means transferring the ownership of an asset from one person to another without the need to convert the asset to cash.
- 14.3. If you choose to transfer existing assets into your Investment Account from other parties, we will rely on those third parties providing adequate and accurate information regarding your assets. We cannot be held liable for any loss or damage suffered by you incurred due to inaccuracies, delays or failures by these third parties in providing us with information or the assets themselves.

15. Corporate Actions and reports

- 15.1. Assets in which you invest may be affected by Corporate Actions. Some Corporate Actions require a choice to be made in respect of your holdings in a particular Asset, which is known as an election.
- 15.2. Where we are aware of a Corporate Action requiring election, we will contact your Adviser Firm or DFM detailing your election options within 10 Business Days of us receiving full details of the Corporate Action. If we do not receive instructions before the election deadline, we will apply the default option as outlined in our communication.
- 15.3. Where a Corporate Action does not require election, we will inform your Adviser Firm or DFM of the details within 10 Business Days after the effective date of the Corporate Action.
- 15.4. Where a DFM has been appointed to manage your Assets (such as in a Model Portfolio) all Corporate Action communications will be notified electronically to your Adviser Firm and the DFM.
- 15.5. If an instruction from you, your Adviser Firm or DFM, and relating to an election, requires additional payment (such as a rights issue), then the giver of the instruction is responsible for ensuring there is sufficient Available Cash Balance in your Investment Account before the election deadline. Otherwise, we will exercise the default option. We are not responsible for any loss you may suffer due to us not being able to process the instruction because there is insufficient Available Cash Balance in your Investment Account.
- 15.6. If a Corporate Action results in a change to an Asset or creates Assets that cannot be held by us, we reserve the right to return the Asset to you if the terms of the Investment Account allows this. If we cannot hold the Asset, we may request that your Adviser Firm or DFM sells or switches out of the Asset before the election deadline.
- 15.7. Certain Corporate Actions (e.g. consolidations of listed securities) may result in fractional allocations of shares and/or Cash distributions which cannot be held on the Platform. For example, if a consolidation applied 1 share for every 10 held, this could result in a fractional entitlement. Fractional entitlements will be sold where possible, and the Cash proceeds credited to your account within 10 Business Days of us receiving the Cash.
- 15.8. We will not forward company reports relating to your Assets. These should be obtained from your Adviser Firm. We are also unable to pass on to you any shareholder perks relating to Assets held by you.
- 15.9. We will not contact you, your Adviser Firm, or DFM (if applicable) regarding shareholders' or unit holders' meetings or to vote. If you wish to attend these meetings or vote, please speak to your Adviser Firm.

16. Charges

Our Charges

- 16.1. Charges applicable to your Platform Account will depend on a number of factors including:
 - 16.1.1. the value of your Investment Account(s);
 - 16.1.2. the Investment Account(s) in which you invest;
 - 16.1.3. the Assets in which you invest; and

- 16.1.4. the terms of your agreement with your Adviser Firm; and
- 16.1.5. the terms of your agreement with your DFM (where applicable).
- 16.2. For details of the latest Charges applying specifically to your Platform Account please speak to your Adviser Firm.
- 16.3. Our charges are set out in the Platform Charges Schedule as amended from time to time in accordance with clause 17.
- 16.4. We apply our charges on the value of the total Assets and Cash held in your Platform Account; this includes any Assets suspended from trading. See clause 20.11 for how we value suspended assets.

Adviser Firm and DFM Charges

- 16.5. You must agree with your Adviser Firm the amount you will pay them for advice and other services they provide to you. You must also decide whether any Adviser Firm Charges are to be deducted from an Investment Account or settled directly between you and your Adviser Firm.
- 16.6. We will process Adviser Charges in line with instructions submitted to the Platform. This includes any instructions relating to ad-hoc Adviser Charges or a change in the ongoing Adviser Charge rate applied to your Platform Account. We will treat such instructions from your Adviser as having been fully authorised by you. If you become aware of an Adviser Charge that you have not agreed with your Adviser, please get in touch with us or your Adviser to discuss.
- 16.7. You may have agreed with your Adviser Firm to use a DFM to manage your Assets. There may be an additional Charge for this. This DFM Charge will be agreed between you, your Adviser Firm and your DFM (where your Adviser Firm is not also acting as your DFM). We will deduct from your respective Investment Account any initial or ongoing DFM Charges you or your Adviser Firm (acting as agent on your behalf) have agreed and communicated to us.
- 16.8. If you have an Investment Account from which Adviser Firm Charges and/or DFM Charges are being taken but it no longer has sufficient value to pay these Adviser Firm Charges or DFM Charges, we reserve the right not to pay these Adviser Firm Charges or DFM Charges. You will still be responsible for paying those charges to the party concerned.
- 16.9. If you die, Adviser Firm Charges and DFM Charges will continue to accrue on your Platform Account until we receive an original death certificate. For further information please refer to clause 18.

Other Charges

- 16.10. Other charges may include Fund Charges, and Exchange-Traded Asset Charges. Please speak to your Adviser Firm for further information.

Charges - Funds

- 16.11. A Fund manager may apply a bid/offer spread or initial charge, an Annual Management Charge, an exit charge on leaving the Fund and other fees. These Charges are usually deducted directly out of the Assets within the relevant Fund.
- 16.12. Adjustments may need to be made after the sale of a Fund has been executed. For example, a Fund manager may apply a Dilution Levy to the withdrawal from a Fund.

Under these conditions, we will contact you or your Adviser to explain any such further Charges being applied.

16.13. If a holding in a Fund in your Investment Account is small, any Charges relating to the Fund may have a disproportionate effect on the value of the Fund.

16.14. For further details of Charges applied by Fund managers, please refer to their literature or speak to your Adviser Firm.

Charges - Exchange- Traded Assets

16.15. Charges may be applied such as Stamp Duty Reserve Tax (SDRT) and the Panel on Takeovers and Mergers (PTM) levy. For further details of Exchange-Traded Asset Charges please refer to the Exchange-Traded Asset literature and your Adviser Firm.

How Charges are taken

16.16. Where the Available Cash Balance within a specific Investment Account is insufficient to cover the Charges, an auto sell-down will be instructed from the largest holding in the Investment Account.

16.17. All Charges that we have deducted from your Investment Account will be reflected on your Valuation Statement. However, you may have agreed to pay additional charges for services about which we are unaware. You should consult your Adviser to understand all charges and fees for which you may be liable or speak to our Client Services team.

17. Taxation

17.1. We do not provide you with any legal, investment or tax advice. Please refer to your Adviser Firm or other suitably qualified professional for advice specific to your individual circumstances.

17.2. You will be wholly responsible for your tax liabilities. Levels of taxation and tax relief are subject to change.

17.3. We are required under Applicable Law to collect certain information about your tax residency. We may be obliged to share this and other Platform Account information with HMRC who may transfer this information to the government of another territory where the UK has entered into an agreement with them to do so.

17.4. Except where explicitly stated, all Platform Account Charges are deemed inclusive of any taxes that may apply. It is your Adviser Firm's responsibility to confirm whether VAT is to be applied on Adviser Firm Charges paid from your Investment Account to them. Similarly, where applicable, it is your DFM's responsibility to confirm whether VAT is to be applied on DFM Charges paid from your Investment Account to them.

17.5. Where applicable, we will provide you with a consolidated tax voucher each year, based on our understanding of current law and regulatory requirements. We will endeavour to do this within 90 days of the previous tax year end. This may assist you with completing your tax return but please note that it is your responsibility to calculate your tax liabilities accurately and ensure that they are paid in full and on time. Please refer to your Adviser Firm for further details and advice.

17.6. Should you hold overseas Assets, it remains your, or your Adviser Firm's responsibility to ensure that you understand the tax position for your chosen Assets.

17.7. We do not accept responsibility for not receiving a reduced rate of withholding tax as a result of incorrect or incomplete documentation.

17.8. Other taxes or costs may exist that are not paid via or imposed by us.

18. Ending your agreement with your Adviser

- 18.1. We will classify you as a "Client without an Adviser" where it has come to our attention you no longer have an Adviser who is appropriately authorised to operate your Platform Account. This could be where, for example,
- 18.1.1. Your agreement with your Adviser ends and you no longer have an Adviser; or
 - 18.1.2. Your agreement with your Adviser ends and your new Adviser does not have a separate agreement with us to use the Platform
- 18.2. Becoming a Client without an Adviser has the following consequences:
- 18.2.1. We will contact you confirming that you do not have an Adviser and confirm the options that are available to you;
 - 18.2.2. We will stop paying Adviser Charges from your Platform Account. You may still be liable to pay the Adviser for any advice you have received, and you will need to settle this with them directly
 - 18.2.3. If you are invested in a Model Portfolio, we will unlink any Investment Accounts linked to this, but you will remain invested in the Assets that formed your Model Portfolio. Your account will no longer be included in any rebalances of the Model Portfolio;
 - 18.2.4. Your Account will be converted to an execution-only service. Our Platform is designed to be used by Clients who receive financial advice from an Adviser. Where you carry out transactions, such as buying and selling Assets and paying contributions etc., without the advice of an Adviser you take sole responsibility for and accept and acknowledge the risks involved in these transactions;
 - 18.2.5. It is important that you understand we are not responsible for assessing whether our Platform, Investment Accounts, transactions, or Assets are suitable for you.

19. Changes to these Terms

- 19.1. We may make changes to these Terms, including our Charges, from time to time in whole or in part. We can do this for the following reasons:
- 19.1.1. to conform with any legal, regulatory, FCA Rule, HMRC Rule or code or practice requirements or industry guidance;
 - 19.1.2. to reflect any decision or recommendation by a court or the Financial or Pension Ombudsman Service;
 - 19.1.3. to allow for the introduction of new or improved systems, methods of operation, services or facilities;
 - 19.1.4. to reflect changes in the cost of providing our services to you, including any direct costs we are required to pay to others;
 - 19.1.5. to reflect changes in market conditions;
 - 19.1.6. to make them clearer or more favourable to you; or
 - 19.1.7. for any other valid reason.
- 19.2. Where we make any change to these Terms (including our charges) which may be to your disadvantage, we will give you at least 30 days written notice, except where required to implement such a change prior to that due for example for reasons given in 17.1.1. Otherwise, we will give you written notice within 30 days of making the change.
- 19.3. If you are not satisfied with a change, you will be entitled to terminate your Platform Account under clause 18 and we will not charge you for terminating your Platform

Account in these circumstances. However, please note you may still have to pay applicable fees and Charges as outlined in the Platform Charges Schedule.

19.4. If you do not notify us that you are dissatisfied with any changes to these Terms before the end of any notice period, you will be treated as accepting the change.

19.5. No change will affect any outstanding order or transaction or any other legal rights or obligations which may have arisen before the date of the change.

20. Ending these Terms

Cancellation

20.1. Depending upon the Investment Account chosen, you are able to cancel your Platform Account up to 30 days after you receive our confirmation of its establishment (your "cooling off period"). However, if you have asked us to invest your Cash in Assets available through the Investment Account, you may get back less than you have invested and if there is any gain in the value of your Assets up to the point at which you cancel, this gain will not be returned to you.

20.2. If you have not asked us to invest your Cash in Assets during your cooling off period, and you cancel your Investment Account before expiry of the cooling off period, you will receive back the original amount.

20.3. If you cancel your Platform Account within the cooling off period, we will not refund to you any Adviser Firm Charges, or (where applicable) DFM Charges, deducted from your Investment Account. You will need to discuss with your Adviser Firm and/or DFM about them refunding any of these Adviser Firm Charges directly to you. Once you have cancelled you may still be liable to pay your Adviser Firm for any advice received and/or DFM for any services provided to you. This may include outstanding Adviser Firm Charges which we have not deducted from your Investment Account and that you will need to settle with your Adviser Firm directly.

20.4. On receipt of written instructions to cancel, we will execute instructions to sell any Assets purchased. We will not return any monies to you until such transactions have cleared.

Closing your Platform Account

20.5. You may close your Platform Account and end these Terms at any time by providing us with notice via email or your adviser, or by withdrawing or transferring Assets elsewhere.

20.6. Closure is subject to the settlement of any outstanding investment order(s), tax liabilities, and Charges. If we do not know how much these amounts will be, we will keep an amount of Cash that we feel is reasonable and appropriate to cover such liabilities, and any remaining Assets will be transferred out. If the amount we have retained proves to be insufficient to pay for out to the settlement of any outstanding investment order(s), tax liabilities, and Charges, you will be liable for the remainder.

20.7. Following Settlement, we will close your Platform Account and transfer your Assets to you, unless the rules of your Investment Accounts require us to transfer these Assets to another provider. The payment to you will normally be by BACS credit to your Nominated Bank Account.

20.8. Should any payments (e.g. interest, dividends, tax reclaims) arise after closure, we will pay this to you unless such payments amount to £5 or less which will be paid to charity.

- 20.9. When your Platform Account is closed, we will not refund to you any Adviser Firm Charges deducted from your Platform Account. You will need to discuss with your Adviser Firm about refunding any of these Adviser Firm Charges.
- 20.10. Once you have closed your Platform Account you may still be liable to pay your Adviser Firm for any advice received and/or DFM for any services provided to you. This may include outstanding Adviser Firm Charges which we have not yet deducted from your Platform Account.

In the event of your death - Individuals

- 20.11. If you die, we will deal with your GIA as instructed by your personal representatives upon receipt of evidence that they have the authority to give us instructions. For information about how we deal with your ISA please refer to Section B - Terms and conditions specific to the Individual Savings Account (ISA) and the ISA Key Features Document. For information about how we deal with SIPP accounts please refer to Section C and the YOUR SIPP Key Features Document.
- 20.12. Upon receipt of a death certificate, we will no longer allow your Adviser Firm to access your Platform Account, buy, switch, redirect or sell Assets, take withdrawals or make any payments to your Platform Account, unless a new agreement is entered into between the Adviser Firm and your personal representative(s). Your Assets will continue to be exposed to movements in the market and may fall in value as well as rise. We will only accept instructions from your personal representative(s) - see clause 18.11.
- 20.13. Platform Account Charges will continue to accrue until all Assets or Cash have been paid to your beneficiaries.
- 20.14. Adviser Firm Charges will continue to accrue on your Platform Account until we receive an original death certificate. If your personal representative(s) choose to retain the services of your Adviser Firm to manage your Platform Account, they will need to provide us with authority for Adviser Firm Charges to continue.
- 20.15. If a DFM was appointed to your Platform Account, they will no longer have the authority to access and manage relevant Assets in your Investment Accounts. We will stop any payments of DFM Charges (where applicable) on being notified of your death. Your personal representative(s) may still be liable to pay your Adviser Firm or DFM for any advice or service you have received.
- 20.16. If any Investment Account is invested in a Model Portfolio, it is your Adviser Firm's responsibility to stop your Investment Account from being linked to the Model Portfolio. Your Investment Account will therefore remain invested in these Assets and no further rebalancing of Assets will take place.

When we may end these Terms

- 20.17. Without prejudicing any other right or remedy available to us, we may terminate these Terms by providing you with 30 days' written notice. Otherwise, without prejudicing any other right or remedy available to us, we may terminate these Terms with immediate effect by giving written notice to you if:
 - 20.17.1. you commit a material breach of these Terms (for example if you commit an act that will be detrimental to our reputation) and that breach is irremediable or (if remediable) you fail to remedy it within a period of 10 business days after being notified in writing to do so;

- 20.17.2. you repeatedly breach these Terms in such a manner as to reasonably justify the opinion that your conduct is inconsistent with your having the intention or ability to give effect to these Terms;
- 20.17.3. you end your agreement with the Adviser Firm and do not find an alternative Adviser Firm within a reasonable period of time;
- 20.17.4. we are required to do so by the FCA or due to any Applicable Laws.

Dormant Platform Accounts

- 20.18. If at least twelve years pass and during that period (i) no instructions relating to any Assets are received for your Platform Account or (ii) there has been no activity on your Platform Account (excluding transactions such as payments or receipts of Charges, or similar items) we will begin the process of closing your Platform Account.
- 20.19. We will then contact your Adviser Firm as well as yourself via your last known email address informing you that we intend to close your Platform Account. In accordance with the Applicable Law, we will take reasonable steps to contact you. If we do not hear from you after reasonable steps have been taken, we will sell the Asset(s) under our Order Execution Policy and gift the proceeds to our nominated registered charity.
- 20.20. Additionally, having taken the steps in clause 18.19, in instances where there is a Cash balance, we will close your Platform Account and gift the Cash balance to our nominated registered charity. This means that we will cease to treat your Cash as client money and you will lose the protection of your Cash being held in the Client Account.
- 20.21. If at any time in the future you contact us and ask us for payment of Cash or the proceeds from the sale of Assets, we will, once we have checked your identity, pay what is due to you.

21. Communication

- 21.1. All information passed between the Platform and Clients, DFMs or Adviser Firms is securely transmitted using a secure internet standard.
- 21.2. You will not disclose your Security Details to any other person, including your Adviser Firm.
- 21.3. You instruct us to accept as genuine and to authorise any instruction placed using your Security Details unless you advise us that your Security Details have been compromised.

Your communications to us

- 21.4. You and your Adviser Firm agree to monitor and manage your Platform Account and report to us immediately any errors you believe exist. For example, instructions not executed, incorrect trades, transfers, valuations or deductions from your Platform Account. We may not be liable for the cost of errors identified by you after 14 days from the original instruction. If you have set up access, you will be able to view your Platform Account online. You will also receive statements via the Message Hub on the Platform every three months.

- 21.5. You will inform your adviser, or us directly, as soon as possible if there are any material changes to your circumstances. For example, your contact details or Nominated Bank Account.
- 21.6. You, or your Adviser Firm may communicate with us in writing, by telephone or by e-mail, using the contact details in the Introduction section of these Terms or any contact details we subsequently provide you with written notice of. Notices must be given in writing Apart from in exceptional circumstances we do however require all instructions to trade to be given to us directly via the Platform website access.

If we do this, we will give you at least 90 days' advance written notice of the transfer. In each case, we shall cease to have any responsibilities to you or your JISA from the time that the change takes effect to the extent that those obligations applied to our appointment. The new administration company, will take on our obligations to provide the services under these Terms & Conditions in our place. We will not transfer our rights and obligations unless we are satisfied that you will not be in a worse position or receive a poorer service.
- 18.2. We may make reasonable and appropriate changes to these Terms & Conditions at any time whilst your JISA is open as follows:

- 18.4. - 18.5. In either case, if you are not happy with any change we make or plan to make to the Terms & Conditions, you can transfer to an Authorised Scheme of your choosing. We will not charge you a fee for this, if a fee ever becomes due.

Section C – SIPP Terms

These SIPP Terms in this Section D apply to the YOUR SIPP. The pension scheme underlying the YOUR SIPP is the Seccl Personal Pension (the "Scheme"). This is a personal pension scheme that allows you to save for retirement in a tax-effective way with the potential to invest in a range of investments. It is registered with HMRC under tax reference 20005619RK.

The Scheme has been established and is governed by a Trust Deed and the rules of the Scheme (together the "Trust Deed"). Within the Trust Deed, Seccl established the Scheme within the meaning of Part 4 of the Finance Act 2004 ("the Act"), operates the Scheme and is the scheme administrator for taxation purposes. Seccl has appointed Digital Pension Trustees Limited ("the Trustee"), as trustee of the Scheme.

Any reference in these SIPP Terms to "we", "us" and "our" are references to Seccl and in relation to paragraphs 1.11 and 1.13, the Trustee.

Where this document refers to or describes a particular tax treatment, you should be aware that tax treatment depends on your individual circumstances and is subject to change in the future.

Additional YOUR SIPP Definitions

In addition to the main definitions in part 1 of Section A, the following words and expressions in this Section D have the meanings appearing below:

Annual Allowance: the amount set by HMRC that you, your employer and any third party can pay to all your pension(s) each tax year before additional tax charges may apply.

Authorised Scheme: a "UK registered pension scheme" or a "qualifying recognised pension scheme", such terms as defined in the Act.

Flexi-access drawdown: may be available to you when you reach the age of retirement and allows you to take income you need out of your pension while keeping the rest invested.

Lifetime Allowance: was the maximum amount set by HMRC that an individual could save within registered pension schemes in their lifetime without incurring an additional tax charge up until 5 April 2024 after which it was abolished.

Lump sum allowance (LSA): the tax-free cash limit you can get from your pension(s) currently set at £268,275 from 6 April 2024.

Lumps sum and death benefit allowance (LSDBA): the total amount of tax-free cash you can get in your lifetime and when you die set at £1,073,100 from 6 April 2024.

Normal Minimum Pension Age: the earliest age at which tax law normally permits benefits to be paid to pension scheme members without penalty other than in circumstances of ill health. Currently, it is age 55 and will rise to 57 from 6 April 2028.

Pension Commencement Lump Sum: is a tax-free payment which most people can receive when they start accessing their pension benefits. It is normally 25% of the value of the pension benefits being accessed.

The Pensions Regulator: the UK regulator of workplace pensions, which also has certain roles in relation to personal pensions.

Uncrystallised Funds Pension Lump Sum (UFPLS): allows you to withdraw some or all of your uncrystallised funds as a lump sum. Within the limitations of available lump sum

allowance, 25% (or up to the available lump sum allowance if lower) of the UFPLS will be paid tax free, with the balance taxed as pension income at the point of withdrawal.

1. Our Personal Pension Services

- 1.1. The Trustee is the legal owner of the Cash and Assets in your YOUR SIPP holding them for your benefit under the Trust Deed. Seccl has been appointed to hold custody of the Cash and Assets in accordance with the Trust Deed. Seccl is responsible for the operation and administration of the YOUR SIPP. It is also responsible, as custodian, for the safekeeping and administration of the Assets you acquire in your Scheme. Seccl is regulated by the FCA to carry out these activities.
- 1.2. Our conflicts of interest policy sets out the types of actual or potential conflicts of interest which affect our business and provides details of how these are identified and managed or prevented. You have the right to ask us for further information regarding our conflicts of interest policy.
- 1.3. The FCA Rules require us to classify all investors. The YOUR SIPP service is provided by us to "retail clients". Unless we tell you otherwise, we will treat you as a retail client under the FCA Rules. This means you get the highest level of protection available under the FCA Rules.
- 1.4. Our Scheme enables you to make investments into a range of different Assets, but we do not provide any financial or tax advice, and therefore we will not assess the suitability or appropriateness for you of the Assets you choose to hold within your YOUR SIPP, the Scheme itself or any other service we provide.
- 1.5. The Assets to which we provide access may be restricted for your YOUR SIPP. These restrictions will be made after taking into consideration FCA requirements, HMRC rules, legislation and our administrative requirements.

Investment restrictions may be applied for the following valid reasons:

- a) Changes in HMRC rules
- b) Changes in pensions or other relevant legislation
- c) Changes in the regulatory regime governing pension assets or reporting requirements
- d) Changes in investment markets
- e) Changes in how our business operates

There is no alternative to the Cash Account within your YOUR SIPP.

- 1.6. If your Adviser has recommended you invest into the YOUR SIPP and is advising on the Asset into which your YOUR SIPP should invest, then your Adviser is responsible for assessing the suitability of the YOUR SIPP and those Assets for you. Likewise, if you have appointed a DFM to manage all or part of your YOUR SIPP, then your DFM will be responsible for the suitability of their Asset choices for you. If you are in any doubt about the suitability or appropriateness of any particular investments, we recommend that you speak with an authorised adviser.
- 1.7. We may delegate our functions in respect of the YOUR SIPP to third parties in accordance with the Trust Deed. We will be responsible for the actions and omissions of any person to whom a function is delegated. We may also engage agents to help us perform our

functions but will not be responsible for any acts and omissions of such persons subject to our duties under the FCA Rules and provided such engagements do not amount to a delegation of our functions.

- 1.8. Our Scheme is exclusively an online product for which you will need to complete an application. We will send communications and documents to you via the Message Hub. We will not generally communicate with you by post. All of our documents and communications with you will be in English. You agree to receive copies of our up-to-date policy summaries (including summaries of our conflicts of interest and order execution policies) via our website.
- 1.9. You can communicate with us about the YOUR SIPP by email at SIPP@seccl.tech or via telephone on 01225 435200
- 1.10. We are obliged under the FCA Rules to record certain communications (including telephone calls, electronic communications and instant messaging) which relate to, or are intended to lead to, the buying or selling of an Asset. You have the right to request a copy of such recordings relating to your YOUR SIPP at any time in the five-year period beginning on the date of the relevant recording. We may monitor and record other communications and calls.
- 1.11. If we are negligent, knowingly in default, act fraudulently, or breach these SIPP Terms or Applicable Law (as relevant), then we are legally responsible to you for the results of our actions unless set out below.
- 1.12. If we make a mistake acting on your instructions to deal in, switch or sell Assets, we will correct it as soon as possible, and reimburse you for any loss that is a direct result of our error. This reimbursement may occur outside your YOUR SIPP, due to the tax treatment of such corrections.
- 1.13. We will not be responsible to you:
 - 1.13.1. if you suffer a loss because the value of your Assets fall
 - 1.13.2. if you suffer a loss because you fail to comply with these SIPP Terms or with any applicable legal requirement or because of any action which we take or refrain from taking in order to ensure that we comply with your instructions
 - 1.13.3. for any action which we take or refrain from taking in order to ensure that we comply with Applicable Law
 - 1.13.4. if we delay or fail to execute a transaction because of market conditions which may prevent us from being able to execute it in accordance with our order execution policy or Applicable Law
 - 1.13.5. if you suffer a loss that was not reasonably foreseeable by you or us when accepting your application for the YOUR SIPP or is not otherwise a natural result of the breach
 - 1.13.6. if you suffer any loss or damage as a result of an external event or something else that is unavoidable and outside our reasonable control, or as a result of any steps which we reasonably take in response to such (including the unavailability of our systems)
 - 1.13.7. for any deals on your YOUR SIPP made by any person you have authorised to deal on your scheme (such as your Adviser) that are placed incorrectly or without your authority
 - 1.13.8. for the performance of any third party (for example, any broker required to execute a transaction), unless otherwise stated in these SIPP Terms.

In this clause, the word “loss” includes but is not limited to any liability to tax or penalty under tax law.

- 1.14. The responsibilities in this section also apply to the Nominee and the Trustee. We are responsible for their respective actions or omissions.

2. Your responsibilities

- 2.1. By opening your YOUR SIPP, you agree that you will not take part in activity that may be considered to be market abuse. If we believe that your YOUR SIPP is being used to engage in market abuse, we reserve the right to take such action as we deem to be appropriate.

2.2. YOUR SIPP establishment

- 2.2.1. You can generally open and maintain a YOUR SIPP if you are an individual aged 18 years or over and aged under 75 years (if you are aged 75 years and over, you may open and maintain a YOUR SIPP, however you will be unable to claim tax relief on any contributions into your pension).
- 2.2.2. As part of the YOUR SIPP opening process, you will set up a username and password and provide certain other personal security details which you will use to access the YOUR SIPP. You must keep your security details secret. You must not disclose them to anyone or allow any other person to access your YOUR SIPP using your security details. We are not responsible for any loss that your YOUR SIPP may incur as a result of not having kept your security details and/or password secret.
- 2.2.3. We may decline your application for YOUR SIPP entirely at our discretion. These SIPP Terms come into force when we accept your application.
- 2.2.4. Under applicable money laundering regulations, we are required to verify the identity of our investors and their beneficial owners (which for your YOUR SIPP may include your employer's beneficial owners where contributions are made by your employer) and obtain additional information in relation to them. In order to do this, we may carry out electronic searches on private and public databases and use credit reference agencies which will record that an enquiry has been made. We may also need to ask you for further documentation as evidence.
- 2.2.5. Until we have verified your identity, we will place restrictions on your YOUR SIPP, and we may prevent any payments of benefits to you or refuse any contributions or transfers.
- 2.2.6. We will confirm when we have accepted your application, and you will become a member of the Scheme as long as you have supplied all relevant information about any tax relief and other information requested as part of the application process.

3. Making payments and contributions to the YOUR SIPP

- 3.1. If you are eligible, you or your employer may make contributions to your YOUR SIPP either on an ad-hoc or regular basis. These contributions can be made via bank transfer, direct debit or other payment method made available by us from time to time.
- 3.2. Personal contributions will normally be treated as having been paid net of basic rate tax which we will claim on your behalf from HMRC. The tax reclaim process normally takes between six to 12 weeks, during this time the money being reclaimed is not available for investment until we receive cleared funds from HMRC.

- 3.3. To pay personal contributions eligible for tax relief you have to be:
- a) aged 18 or over
 - b) under age 75; and
 - c) a relevant UK individual.
 - d) A 'relevant UK individual' is a person who:
 - 3.3.1. has relevant UK earnings chargeable to income tax for that tax year; or
 - 3.3.2. is resident in the UK at some time during that tax year; or
 - 3.3.3. was resident in the UK at some time during the 5 tax years immediately before the tax year in question and was also resident in the UK at the time of joining the Scheme; or
 - 3.3.4. has, or is the spouse of a person who has, for that tax year, general earnings from overseas Crown employment subject to UK tax.
- 3.4. If you cease to be a relevant UK individual, you cannot make contributions to the YOUR SIPP on your own behalf after the end of the tax year in question.
- 3.5. We will only accept contributions in cash.
- 3.6. If your employer has told us that it is using the YOUR SIPP for automatic enrolment purposes and you are an eligible jobholder, there is a minimum level of statutory contributions which must be paid to your YOUR SIPP. The key points are:
- 3.6.1. Your employer will need to pay at least these minimum contributions.
 - 3.6.2. If your employer does not pay all of these minimum contributions, you agree to pay the difference.
 - 3.6.3. You will be an eligible jobholder if you satisfy certain age, earnings and employment status requirements. Your employer will be able to provide further details.
- This is a requirement of the automatic enrolment regulations.
- 3.7. Tax relief is granted at your highest marginal rate of income tax. If you are a higher rate taxpayer, you will need to reclaim the additional tax relief through your self-assessment tax return.
- 3.8. Tax relief is granted at your highest marginal rate of income tax. If you are a higher rate taxpayer, you will need to reclaim the additional tax relief through your self-assessment tax return.
- 3.9. You must tell us if you are not entitled to tax relief on all or part of the contributions. More information on contribution rules and limits are available by contacting your Adviser.
- 3.10. If you make contributions to your YOUR SIPP which, when combined with other contributions to other UK pension schemes, exceed the amount on which you are entitled to tax relief, we may agree to refund the excess contributions to you provided there is sufficient Cash in your YOUR SIPP to make the refund to you and repay any amounts due to HMRC. Any investment loss or growth in respect of a refunded contribution will be deemed to be outside the Scheme. A contribution cannot be refunded simply because it takes contributions over the Annual Allowance. Before we refund any excess contributions, we will require evidence that the payment will be authorised under the tax rules. Any excess tax relief already received from HMRC must be returned to HMRC within the timescale specified by HMRC. We are not responsible for any interest levied by HMRC on a refund of overpaid tax relief.
- 3.11. A refund of excess contributions can be requested at any time before the end of the sixth tax year following the tax year in which they were made. The maximum refund

available will be the value of the excess contribution(s). A refund might be delayed if there is insufficient Cash in your YOUR SIPP.

- 3.12. We can refund a contribution when we receive a valid request for a contribution which was:
- 3.12.1. paid in genuine error (as defined by HMRC) and was not intended to be paid
 - 3.12.2. an employer contribution which should have ceased on the termination of employment and was paid in error; or
 - 3.12.3. a member or third-party contribution where the member has insufficient earnings to attract tax relief on the contribution paid
- 3.13. Where there is insufficient Cash in your YOUR SIPP to pay a refund, we may require you to pay further funds into your YOUR SIPP or dispose of Assets to meet the amount due. We are entitled to direct that Assets are disposed of within your YOUR SIPP as a portion of the largest holding sufficient if the amount remains unpaid after 30 days. If you have taken benefits or transferred out of the Scheme and there is insufficient Cash in your YOUR SIPP you remain liable for any losses or costs incurred by us.
- 3.14. Contributions paid by your employer are treated as being paid gross meaning there will be no further tax relief for us to claim. We will require your employer to provide additional information which indicates the payments they are committed to making on your behalf. Where payments are not received within the statutory timescale, we are obliged to notify the Pensions Regulator if it is deemed of material significance.
- 3.15. If we receive a contribution and we are not provided sufficient information to identify that this is intended to be for your benefit, then this may be returned to the payer.
- 3.16. You should read the YOUR SIPP Key Features document for more information about how to make contributions, tax rules and eligibility restrictions including, money purchase Annual Allowance and tapered Annual Allowance. We will not be responsible for ensuring that your contributions remain below the Annual Allowance, money purchase Annual Allowance and tapered Annual Allowance. We will not normally accept contributions which exceed your available Annual Allowance or (if applicable) money purchase Annual Allowance.
- 3.17. If you have incurred an Annual Allowance tax charge or money purchase Annual Allowance charge, you are responsible for paying them to HMRC. In the case of the Annual Allowance, you can also pay a share of the tax charge from your YOUR SIPP as long as the amount due to HMRC is at least £2,000. The maximum amount you can pay in this way must not exceed the value of your YOUR SIPP after allowing for all fees, charges and other deductions. If you are a member of more than one pension scheme, the amount paid from your YOUR SIPP should not in any case be more than a share in accordance with HMRC's rules. To arrange the payment, you must tell us in writing that you wish to do so.

4. Pension input period

- 4.1. Your pension input period is a period of time defined by HMRC to measure your contributions paid. Your first pension input period starts when we accept your first contribution and ends the following 5 April. Subsequent pension input periods will be aligned with the tax year.
- 4.2. The Annual Allowance is defined by HMRC and limits the amount of tax relief available on pension savings in a pension input period. If the total of all pension savings made by you (or for you) exceed the Annual Allowance, you may be liable to a tax charge.

5. Transferring existing pensions to us

- 5.1. We may, at our discretion, accept a request to transfer all or part of your pensions from other UK registered pension schemes into your YOUR SIPP. We will only accept a transfer from a pension with safeguarded rights such as a final salary scheme (as further defined in Section 48(8) of the Pension Schemes Act 2015), if a suitably qualified and authorised financial adviser has advised you that the transfer is suitable for your personal circumstances.
- 5.2. We may, at our discretion, accept transfers of benefits from other Authorised Schemes, subject to the Trust Deed. Uncrystallised benefits (pension benefits that have not been cashed in) and crystallised benefits, can be accepted and will be separately identified within your YOUR SIPP.
- 5.3. Any crystallised benefits being transferred that are in capped drawdown will only be accepted on the basis that they will immediately be converted to flexi-access drawdown. Once income is taken from the flexi-access drawdown you will become subject to the Money Purchase Annual Allowance.
- 5.4. Transfers-in of benefits subject to a pension earmarking order cannot be accepted. Transfers-in of benefits subject to a pension sharing order can be accepted.
- 5.5. It is your responsibility to ensure a transfer of pension benefits is in your best interests. You should consider taking advice from a suitably qualified financial adviser. We do not provide advice. Our acceptance of a transfer is in no way an endorsement of the suitability for you of the transfer.
- 5.6. We reserve the right to reasonably refuse or refund a transfer (whether in part or whole).
- 5.7. Where you request a cash transfer or In-Specie transfer of approved investments from an existing pension you take responsibility for initiating all transfer instructions. We do not accept responsibility for delays in receiving transfers.
- 5.8. We can decline a transfer of any of the investments to be transferred. We will inform you if this is the case.
- 5.9. You agree that we may obtain any information we believe is necessary from your previous pension scheme to comply with Applicable Law.

6. Right to cancel your product

- 6.1. You may change your mind and cancel your YOUR SIPP by emailing us at SIPP@seccl.tech within 30 days from the date of opening the YOUR SIPP. If you cancel your YOUR SIPP within the cancellation period, you may not get back the full amount you invested. We will pay back your initial contribution made within this period, less any fall in value of investments you have made due to market movements and any adviser firm charges that have been paid to your appointed Adviser.
- 6.2. Where you have transferred into the YOUR SIPP from another Authorised Scheme, you may change your mind and cancel the transfer by emailing us at SIPP@seccl.tech within 30 days from the date of requesting the transfer. If your transferring Authorised Scheme has already released the transfer value, they may refuse to take your transfer back. You will need to choose an alternative Authorised Scheme to receive the transfer value. We'll pay back your transfer, less any fall in value of Assets due to market movements and any adviser charges that have been paid to your Adviser.
- 6.3. These SIPP Terms will apply until your membership of the Scheme ceases or your YOUR SIPP is closed. Termination of these SIPP Terms shall not affect accrued rights, existing commitments or any contractual provision intended to survive termination. We reserve the

right to close your YOUR SIPP if you have not made any contributions or a transfer of benefits from another Authorised Scheme, within six months of the date of your application.

7. Cash Management

7.1. The Custodian will hold contributions paid and cash transfers made into your YOUR SIPP in a pooled client account in accordance with the Trust Deed and Applicable Law. Any Cash held by the Custodian will be held as client money and managed in accordance with the FCA Rules. Further details can be found in Schedule 1.

8. Your Assets

8.1. The Assets within your YOUR SIPP will be held in the name of the Nominee on behalf of the Custodian. The Trustee remains the beneficial owner on your behalf.

8.2. YOUR SIPP permitted investment range is currently restricted to the Cash and Assets meeting the FCA's definition of "standard investments" all of which must be capable of being held by the Custodian and administered by us. Broadly speaking this means an Asset has to be an FCA authorised or recognised collective investment scheme or a listed security and capable of being valued on a regular basis and sold within 30 days.

8.3. Any investment income, including interest, or capital gains from your Assets will be held by the Custodian on your behalf and will form part of value of your YOUR SIPP.

8.4. All investment instructions are made by you or your Adviser and neither we nor the Trustee shall be responsible for any investment decision.

8.5. We have discretion to direct the Trustee to dispose of an Asset without consultation with you or your prior agreement when the following situation occurs:

- 8.5.1. continuing to keep an Asset would be unlawful;
- 8.5.2. continuing to keep an Asset that would impose tax or other costs which your YOUR SIPP may not be able to meet;
- 8.5.3. the Asset needs to be disposed of to meet any tax liability or other liabilities or costs (including our own);
- 8.5.4. where there is insufficient Cash in your YOUR SIPP to pay amounts due to us, HMRC or to pay benefits or other payments due;
- 8.5.5. to comply with a court order.

9. YOUR SIPP Statements

9.1. We will provide you with a number of statements: an annual pensions statement, quarterly valuation statements and any other such statements required by Applicable Law, showing you a summary and valuation of all your YOUR SIPP Assets and every transaction executed for you in the previous reporting period. Your valuation statements will be made available for you to view in the Message Hub, and you agree that you will access the Message Hub from time to time in order to review your most recent valuation statement. You agree to tell us of any discrepancy or issues with these valuation statements in a reasonable timeframe. In the absence of any such notification, we will be entitled to assume that the valuation is an accurate reflection of your YOUR SIPP.

10. Transfers out

10.1. We, on behalf of the Trustee, have discretion over whether to accept your request to transfer out the value of your YOUR SIPP to another Authorised Scheme.

- 10.2. We will not transfer out benefits in accordance with these SIPP Terms unless we are satisfied as to each of the following:
- 10.2.1. we have proper authority and approval to make the transfer out;
 - 10.2.2. all outstanding fees, charges and liabilities have been settled; and
 - 10.2.3. making the transfer out is not likely to prejudice any protected benefits or be unlawful or be made to an unrecognised or unregistered pension scheme or be made to a scheme suspected of being involved in any kind of investment scam or pensions liberation.
- 10.3. We will not transfer out benefits to Recognised Overseas Pension Schemes (ROPS). A ROPS is an overseas pension scheme which meets the requirements as set out in 3(2) of the Pension Schemes (Categories of Country and Requirements for Recognised Overseas Schemes) Regulations 2006.
- 10.4. It may be necessary for us to delay a transfer out where we are unable to sell or re-register some of the Assets, particularly Assets that are cannot easily be converted to Cash for the purposes of the transfer. Such circumstances could lead to you having to defer transferring out or taking benefits.
- 10.5. If we receive an income payment, a dividend or other cash amount relating to your YOUR SIPP, after you have transferred out from your YOUR SIPP, we will ensure that such payments will be sent onto the receiving Authorised Scheme in accordance with the strict requirements set out in Applicable Law.
- 10.6. In the limited circumstances permitted by Applicable Law, such as the winding up of the Scheme, we shall be entitled to transfer out the value of your YOUR SIPP without your consent or instructions.

11. YOUR SIPP charges

- 11.1. You authorise the deduction and retention of all charges, applicable tax and reasonable expenses from your YOUR SIPP. You agree that charges can be rounded up to the nearest whole £1.
- 11.2. Where permitted by Applicable Law, we are entitled to recover costs not stipulated in but incurred by us in the administration of your YOUR SIPP. These costs include, but are not limited to, any losses, claims or liabilities involved with acquiring, valuing or disposing of any Assets; administration costs involved with complying with any court orders; disbursements or other charges or commissions levied by any investment or other professional advisers in line with the terms and conditions agreed with them; any tax charges, industry levies, duties or liabilities.
- 11.3. We will provide you with an annual illustration showing the effect of costs and charges on the return of your YOUR SIPP.
- 11.4. All charges, fees and expenses due are deducted from the Cash balance of your YOUR SIPP. Where there is insufficient Cash within the YOUR SIPP to pay amounts due to us, HMRC or to pay benefits or other payments due, we may require you to pay further funds into the YOUR SIPP or dispose of Assets to meet the amount due. We are entitled to direct the disposal of YOUR SIPP Assets as a portion of the largest holding if the amount remains unpaid after 30 days. If you have taken benefits or transferred out of the Scheme and there is insufficient Cash in your YOUR SIPP you remain liable for any losses or costs incurred by us.

- 11.5. Where amounts due to us remain outstanding for more than 30 days, we are entitled to add interest to the sum outstanding at a rate of 3% AER above the Bank of England's base rate.
- 11.6. We are entitled to increase charges each year with effect from 1st May in line with the increase in the Average Weekly Earnings Index plus 1% which is published by the Government Office of National Statistics for the twelve-month period ending 30th September of the preceding year. Where charges are increased in line with this clause no notice will be given.
- 11.7. We may facilitate through your YOUR SIPP the payment of any adviser charges which you have agreed with your Adviser or DFM to be paid in this way.
- 11.8. We also have the right to increase charges in certain circumstances, as outlined in Clause 27.

12. Closing your YOUR SIPP

- 12.1. If you decide to close your YOUR SIPP, you cannot automatically withdraw the value. The Assets or Cash held in your YOUR SIPP can only be transferred out to another Authorised Scheme or used to provide benefits in accordance with these SIPP Terms and the Trust Deed. See clause 17 for the conditions for receiving benefits.
- 12.2. We may close your YOUR SIPP on giving you notification, if (i) we cease to act as a pension scheme administrator and operator and a suitable replacement cannot be found, or (ii) it becomes impractical to continue to administer your YOUR SIPP in accordance with any Applicable Law.
- 12.3. If we close your YOUR SIPP on these grounds, we will give you at least 90 days' notice of the closure and will explain your options for transferring out to another Authorised Scheme.

13. Your personal information

- 13.1. We are the data controller for the personal information you give us. We will not pass your personal information to anyone, other than as detailed in our Privacy Policy (which can be found at www.seccl.tech) [Add Provider URL]. 16. Ending these SIPP Terms

- 16.1. See Section A Clause 28 on when/how SIPP Terms can be amended/terminated.
- 16.2. You agree to us transferring all or any of our rights and obligations under these SIPP Terms to any one or more appropriate Seccl companies or any third parties which are appropriately regulated and authorised under Applicable Law. These obligations include the appointments of Seccl as the scheme administrator and operator and the appointment of Digital Pension Trustees Limited as the Trustee. If we do this, we will give you at least 90 days' advance written notice of the transfer. In each case, we shall cease to have any responsibilities to you or your YOUR SIPP from the time that the change takes effect to the extent that those obligations applied to our appointment. The new scheme administrator / operator or trustee will take on our obligations to provide the services under these SIPP Terms in our place. We will not transfer our rights and obligations unless we are satisfied that you will not be in a worse position or receive a poorer service.

17. YOUR SIPP benefits

- 17.1. We only allow you to take benefits from your YOUR SIPP with the support and advice from your Adviser. You can of course transfer your YOUR SIPP to another Authorised Scheme and we will not charge you for this transfer.
- 17.2. If you are 50 or over, the Government has launched a free and impartial service to help you understand what your choices are and how they work, this can be accessed online, over the telephone by calling 0800 138 3944 or face to face - see www.moneyhelper.org.uk/en/pensions-and-retirement/pension-wise.
- 17.3. It is strongly recommended that prior to accessing your pension benefits you seek advice from a suitably qualified financial adviser or obtain guidance from Pension Wise.
- 17.4. You can take benefits from your YOUR SIPP from the Normal Minimum Pension Age by instructing us online to:
- pay you one or more uncrystallised funds pension lump sum.
 - commence drawdown pension (flexi-access drawdown) with all or part of your YOUR SIPP or the balance after taking any Pension Commencement Lump Sum ("PCLS").
 - Buy an annuity from an annuity provider in your name with all or part of your YOUR SIPP and pay you any pension commencement lump sum ("PCLS") where allowable.
- 17.5. You may be able to take benefits early if:
- you have transitional rights to a protected pension age, and you satisfy the conditions in the Trust Deed; or
 - we are satisfied that you are, and will continue to be, incapable of carrying on your occupation because of physical or mental impairment (in this case you must provide medical evidence to show that you have become incapable of carrying on that occupation and will continue to be incapable of returning to it).
- 17.6. Any uncrystallised fund (this being a pension fund that has not yet been accessed for retirement income) can be used to pay a tax-free lump sum and then any remainder can be used to provide taxable retirement income, one or more UFPLSs can normally be paid. An UFPLS is a cash sum taken from a pension pot that has not paid out any retirement income. For each withdrawal usually the first 25% (or up to the available lump sum allowance if lower) will be tax-free and the rest will be taxed at your appropriate tax rate as a pension under PAYE.
- 17.7. At the point you wish to take benefits you will be required to complete an online application/questionnaire and you are entitled to a 30-day cancellation period if benefits are taken as flexi-access drawdown, for the first instance of taking benefits only, effective from the date you receive a cancellation notice. Where you receive payment of benefits to which you are entitled and subsequently exercise your right to cancel you will be required to return any income payments received back to YOUR SIPP. Failure to do so will be deemed as overriding your cancellation instruction. In accordance with regulations, we are unable to cancel the PCLS element of any benefits you have taken. This element will become an unauthorised payment if any associated income withdrawal is not taken within 6 months. With the exception of your PCLS/tax-free lump sum, payments made by us to you from your YOUR SIPP will be made net of tax under PAYE and can be paid at regular intervals. We will normally offer payment on a monthly, quarterly or annual basis. Payments are conditional on there being sufficient cleared funds available in your YOUR SIPP. We may request that your Adviser dispose of Assets within your YOUR SIPP on a proportional basis to ensure there are funds available if the amount remains unpaid after 30 days.

- 17.8. Payment to you by means of flexi-access drawdown ("FAD") can involve a payment of a tax-free PCLS with any income being taxable as income. FAD is an option to use your retirement fund to provide retirement income.
- 17.9. We will not pay benefits in accordance with these SIPP Terms unless we are satisfied as to each of the following:
- 17.9.1. you have received financial advice;
 - 17.9.2. we have proper authority to pay the benefits;
 - 17.9.3. we are in receipt of all the necessary information required by regulations;
 - 17.9.4. we have received all the fees due to us;
 - 17.9.5. all liabilities and costs have been satisfied by your YOUR SIPP ; and
 - 17.9.6. all outstanding transfers have been received by your YOUR SIPP.
- 17.10. Where you take benefits flexibly, your Annual Allowance will reduce. For details of this and how it could impact your retirement savings plans please speak with your Adviser.
- 17.11. When you commence taking benefits from your YOUR SIPP, there are two lump sum allowances available the Lump Sum Allowance (LSA) and the Lump Sum and death Benefits Allowance (LSDBA). For most people, the lump sum allowance (LSA) will limit the tax-free cash available from your pension to £268,275. In most cases, the lump sum and death benefit allowance (LSDBA) will limit the total amount of tax-free cash available in your lifetime and when you die to £1,073,100. Before the 2023/24 tax year, the lifetime allowance was the limit on the amount of benefits you could take across all pension schemes before additional tax charges would apply. From 2023/24 the tax charge ceased to apply and from 6 April 2024 the lifetime allowance no longer applies. The lifetime allowance still limits tax-free lump sum entitlement. If you hold any forms of previous lifetime allowance protection, you will keep the lump sum entitlement from it. When you commence taking benefits from your YOUR SIPP we will calculate your available tax-free lump sum based on the information you provide. You must provide us with the information necessary for us to calculate the available lump sum allowance. This information includes details of any protections from the previous lifetime allowance that you have, and all lump sums previously taken. If the requested tax-free lump sum exceeds your available allowance the payment will be restricted to the available allowance.
- 17.12. If you took benefits before 6 April 2024 your lump sum allowance is reduced by 25% of the previously used lifetime allowance. Meaning if 100% of lifetime allowance was used, the lump sum allowance would be Nil. This is known as the "default transitional reduction". However, where the actual amount of tax-free lump sums received were lower than the default amount, you can apply to the scheme administrator of any registered pension scheme that you are a member of, for a "transitional tax-free amount certificate". The certificate will confirm the:
- "Lump sum transitional tax-free amount" – the total of all the PCLS and tax-free amounts of ufls that has been paid before 6 April 2024.
- And
- "Lump sum and death benefit transitional tax-free amount" – the total tax-free amount of lump sums paid, including serious ill health lump sums and lump sum death benefits paid before 6 April 2024.
- To apply for a "transitional tax-free amount certificate" from us, you (or your personal representatives) will need to provide complete evidence to the pension scheme of previous amounts received. The application for a "transitional tax-free amount certificate" must be

made before any request to take benefits from 6 April 2024. The scheme administrator has 3 months under the regulations to issue the certificate or confirm why it cannot be issued. We will only refuse to issue the certificate if incomplete evidence has been received to allow the calculations to be completed. Once a certificate has been issued it cannot be cancelled if the member finds that their available lump sum allowances under the standard calculation would have been more beneficial.

17.13. In addition to the benefits listed above you have the option to purchase an annuity for life at any time from the Normal Minimum Pension Age. We do not provide annuities so your choice of annuity must be selected from a UK Insurance company.

18. Death benefits

18.1. On your death the payments we make, and how these are taxed, will depend on:

- 18.1.1. the Trust Deed;
- 18.1.2. whether your YOUR SIPP had been crystallised before you died (i.e. whether you had taken any benefits);
- 18.1.3. your age at the time of death; and
- 18.1.4. how we exercise our discretion.

18.2. Upon being notified of your death, in order to settle any death benefits payable under your YOUR SIPP, your beneficiaries or legal representatives should send a copy of your death certificate (either original or certified copy) to your Adviser who will forward it to us.

18.3. On receipt of your death certificate, we will restrict all investment and freeze your YOUR SIPP until an instruction is received from your representatives.

18.4. We may, at our complete discretion, decide who should receive a lump sum death benefit and in what proportion. The list of your potential beneficiaries include any one or more of your beneficiaries, dependants, nominees or successors.

18.5. Where you have made a nomination, we will take your wishes into account but are not bound by them. This will include the ability to establish a new YOUR SIPP for a beneficiary.

18.6. By exercising our discretion in favour of a dependant, nominee (such nominee must have been nominated by you), or other beneficiary, that dependant, nominee or beneficiary (as applicable) may choose for the benefits to be paid in one or more of the following ways:

- 18.6.1. a lump sum death benefit;
- 18.6.2. income from income drawdown
- 18.6.3. the purchase of an annuity.

18.7. We shall deduct any tax from the lump sum or income payments for which the Scheme may be liable. All nominees must be selected via our online process.

18.8. On your death the value of your YOUR SIPP can be used to provide a lump sum or an ongoing income or used to buy an annuity. If you die before your 75th birthday, then lump sum payments and income from your YOUR SIPP will generally not be subject to tax as long as it is possible to make a payment within the two years from the date we are notified of your death. If you die on or after your 75th birthday, then any lump sum payments are generally subject to tax.

18.9. Lump sum death benefits received by your dependant or nominee successor will be tested against your available allowance (see clause 17.12 explaining allowances). Where lump sum death benefits are paid in respect of a deceased dependant, nominee or

successor, these will be tested against the nominee's or successor's available lump sum and death benefit allowance. The benefit will not be tested against the original member's or beneficiary's allowance.

Seccl Technology Limited is registered in England and Wales No 10237930. Registered office 20 Manvers Street, Bath, BA1 1JW.

Seccl Custody Limited is registered in England and Wales No 10430958. Registered Office 20 Manvers Street, Bath, BA1 1JW. Seccl Custody Limited is authorised and regulated by the Financial Conduct Authority, registration Number 793200 and is a wholly owned subsidiary of Seccl Technology Limited.

SCHEDULE 1 – CUSTODIAN’S TERMS

1. Background

- 1.1. YOU Asset Management Limited has arranged for Seccl Custody Limited ("Seccl") as the Custodian to provide the custody services described in this schedule (the "Custody Terms") to you. Seccl is authorised and regulated by the Financial Conduct Authority of 12 Endeavour Square, London, E20 1JN, registration number 793200, to arrange, safeguard and administer custody of cash and assets.
- 1.2. Seccl is registered in England, registration number 10430958. To contact Seccl, you can write to 20 Manvers Street, Bath, BA1 1JW.
- 1.3. Terms not defined in these Custody Terms have the meaning set out in the Platform Terms & Conditions or the FCA Rules.

2. System Operation – Applying and Transacting

- 2.1. Seccl is authorised to ensure that the custody of your Cash and Assets are kept safe in accordance with Applicable Law.
- 2.2. Any deposits or withdrawals of Cash or instructions to buy, sell or transfer Assets, through the Platform, will be recorded and managed in accordance with the FCA Rules. Seccl will ensure any investment instructions arranged by the Platform Provider are completed in accordance with the Platform Terms & Conditions.
- 2.3. All Cash will be held with an approved bank in a designated client money statutory trust account. The account is held separately from any monies held by either Seccl or the Platform Provider.
- 2.4. Assets will be registered to Digital Custody Nominees Limited ("Nominee") which is a wholly owned subsidiary company of Seccl. This arrangement safeguards and segregates your Assets from those of Seccl. Seccl accepts the same level of responsibility under the FCA Rules to you for the Nominee.
- 2.5. Your Cash and Assets will be held in a pooled arrangement. This means that Seccl will have records that identify your individual ownership and entitlement to Assets. For operational and servicing purposes it is more efficient for Seccl to administer your investments on a pooled basis.
- 2.6. Where Assets are held in an "omnibus account", the legal title to these Assets will be in the name of the Nominee together with Assets held for other Clients. This means that Assets held for you will not be separately identifiable within the Nominee's account, only in Seccl's books and records. In the event of a default in relation to Assets held in an omnibus account, you may not receive your full entitlement if there is any irreconcilable shortfall in investments and may share with other Clients in the shortfall in proportion to your original share. There may also be a delay in receiving your entitlement to such investments.
- 2.7. Where Cash is held in a pooled account together with money from other Clients, you will not have a claim against a specific amount in a specific account. In the event that any bank with which Seccl has deposited the client money was to fail, you may not receive your full entitlement and may share in the shortfall with other Clients in proportion to your original share. This could include any fees deducted by insolvency practitioners.
- 2.8. Seccl will have instances where it needs to appoint third-party nominees or sub-custodians to maintain the custody services offered. By agreeing to these Custody

- Terms, you authorise Seccl to do this.
- 2.9. Seccl will use reasonable care and due diligence to perform its duties as Custodian.
 - 2.10. Where Seccl receives income from your Assets, for example through dividend payments or fund distributions, Seccl will reconcile and credit these to your Investment Account(s). All overseas dividends are processed with standard rate withholding tax as applicable for the overseas territory.
 - 2.11. As "Corporate Action" events arise (i.e. something that will bring about a change in the investments you hold such as rights issues, stock splits, mergers and name changes), Seccl will inform the Platform Provider who will take action as set out in Section A of the Platform Terms & Conditions.
 - 2.12. Seccl will facilitate the transfer of Cash and Assets in accordance with your instructions and the Platform Terms & Conditions.

3. Cash Processes

- 3.1. Any Cash deposits or income will be credited to the relevant Investment Account once identified and reconciled by Seccl.
- 3.2. Seccl will pay any and all interest net of any amounts retained by the Platform Provider according to the Platform Terms & Conditions. Interest is accrued daily and paid monthly in the month immediately following that for which it was accrued. Interest is calculated on cleared Cash balances. Interest which accrues on client money accounts will not be treated as client money until it is applied each month.
- 3.3. Where interest cannot be distributed due to rounding differences, the unallocated interest will be paid to a registered charity chosen by Seccl.
- 3.4. Seccl may use a combination of instant access, notice and unbreakable term deposit accounts to diversify the way it holds client money, where notice periods or unbreakable terms may be up to 95 days in accordance with the FCA Rules. In extraordinary circumstances, there may be a delay in receiving any withdrawals.

4. Settlement

- 4.1. Settlement of Assets will be in line with market best practice, see Schedule 2: Order Execution Policy.
- 4.2. For Model Portfolio and switch orders, Seccl will place a buy order after the sell instruction is confirmed by the Fund manager or the market. Seccl may delay the purchase of ETI orders if the intended Settlement date on the sale of a Fund is a day or more beyond that of the ETI order.

5. Adviser Fees & Charges

- 5.1. Where Adviser Charges are to be deducted from an Investment Account, Seccl will process Adviser Charges in line with instructions submitted to the Platform. This includes any instructions relating to ad-hoc Adviser Charges or a change in the ongoing Adviser Charge rate applied to your Platform Account. We will treat instructions from your Adviser as having been fully authorised by you. If you become aware of an Adviser Charge that you have not agreed with your Adviser, please get in touch with the Platform Provider or your Adviser to discuss.
- 5.2. If you have an Investment Account from which Adviser Charges and/or DFM Charges are being taken but it no longer has sufficient value to pay these Adviser Charges or DFM Charges, Seccl reserves the right not to pay these Charges. You will still be

responsible for paying those Charges to the Adviser or DFM.

6. Liens

- 6.1. Seccl reserves the right to enforce the right of liens (a right for us to hold on to Assets in our possession pending payment of a debt you owe) over the Assets in specific circumstances and where agreed with the Platform Provider.

7. Communications

- 7.1. All communication with you will be in English through the Message Hub.
- 7.2. Seccl will provide quarterly valuation statements and contract notes, which will detail the buys or sells instructed on your account. It is your responsibility to sign-in and read this information and it is important you notify the Platform Provider of any errors or omissions in respect of the accuracy of these documents.
- 7.3. Ad hoc statement requests are available to download from the Platform.

8. Complaints

- 8.1. Seccl has its own complaints policy. If you want to complain, please contact the Platform Provider first. If the complaint relates to services provided by Seccl, Seccl will provide the Platform Provider with all necessary information to resolve the complaint. The Platform Provider may ask Seccl to take control or assist with the complaint if necessary.
- 8.2. If you would rather contact Seccl directly, please contact Seccl by email at support@seccl.tech or by post to The Compliance Officer, 20 Manvers Street, Bath, BA1 1JW.
- 8.3. If we do not resolve your complaint satisfactorily or fail to resolve it within eight weeks of receiving your complaint, you can also direct your complaint to the Financial Ombudsman Service at:
- Exchange Tower, London E14 9SR.
 - Telephone: 0800 023 4567 or 0300 123 9123
 - email: complaint.info@financial-ombudsman.org.uk
 - website: www.financial-ombudsman.org.uk.

9. Remuneration

- 9.1. The Platform Provider pays Seccl for custody services. In some cases, this may be paid directly from your Platform Account depending on your Agreement with the Platform Provider.

10. Conflicts of Interest

- 10.1. Seccl maintain a Conflicts of Interest Policy independent of the Platform Provider. It is available by contacting the Platform Provider.

11. Force Majeure Event

- 11.1. To the extent permissible under Applicable Law, neither you nor Seccl shall be responsible for any loss or damage suffered by the other by reason of any natural and unavoidable catastrophes that interrupt the expected course of events and restrict you or Seccl from fulfilling obligations under these Custody Terms. If such loss, damage or failure is, or may occur, due to such an event, each party will use reasonable endeavours

to minimise the effects and will notify the other.

12. Data Protection

- 12.1. In acting as your Custodian, Seccl will have access to the data you provide when you apply to the Platform. In the agreement between the Platform Provider and Seccl both parties are joint data controllers and have independent Privacy Policies which summarise how we will use your personal information and with whom we share it.
- 12.2. Seccl will use your details for regulatory reporting purposes and will not use or share your information for marketing purposes.
- 12.3. Seccl will retain your data and relevant communications for a period of seven (7) years from the date you close your Platform Account in line with FCA rules.

13. Use of Third Parties

- 13.1. To provide custody services Seccl will use the services of third party service providers.
- 13.2. Examples include the provision of: data and price feeds of assets, the execution of trading instructions, clearing and Settlement services, banking services, client verification, regulatory reporting, card payment services and the facilitation of automated transfer instructions.
- 13.3. Where services are provided by a third party, Seccl will use reasonable care and due diligence in selecting them and monitoring their performance. Except in relation to the services of the Nominee under clause 2.4, Seccl does not guarantee proper performance by the third party and will not itself be responsible if a third party provider fails to meet its obligations. If the third party defaults or becomes insolvent, Seccl will attempt to recover any losses you have suffered. However, if the third party cannot repay its creditors any shortfall may have to be shared proportionally among them, including you and other Clients, and you may lose some or all of your Cash or Assets. This may include circumstances where it is not possible under the relevant national law and the arrangements for the registration of legal title to the Assets to identify the Client Assets from the assets of the third party firm. In this situation, you will not necessarily be entitled to compensation from Seccl, and you may seek recompense from the FSCS.

14. Account Closure

- 14.1. Where your Platform Account has been closed, Seccl may pay away residual balances below £10 remaining on your Platform Account to a registered charity chosen by Seccl in line with FCA rules.

15. Termination

- 15.1. Seccl may terminate the Custody Terms at any time by giving the Platform Provider thirty (30) days' written notice (subject to Applicable Law).
- 15.2. Seccl may also terminate the Custody Terms with immediate effect by written notice if required to do so by Applicable Law or on instructions from the Platform Provider.
- 15.3. In this event, the Platform Provider will instruct Seccl where to transfer your Assets and Cash. If the Platform Provider does not do so promptly, or if it no longer represents you, then Seccl will ask you and you will give the relevant instruction. Seccl will transfer your Assets and Cash in accordance with the relevant instruction or otherwise directly to you. The Custody Terms will continue to apply until the transfer is complete.

16. Severability

- 16.1. If any part of the Custody Terms is declared unenforceable or invalid, the remainder will continue to be valid and enforceable.

17. Notices of Change/Variations

- 17.1. We may change these Custody Terms in whole or in part. We can do this for the reasons stated in our change control policy, a version of which is available from the Platform Provider.

SCHEDULE 2 CUSTODY TERMS – THIRD PARTY PRODUCT PROVIDER(S)

1. Background

1. The Third-Party Product Provider has arranged for Seccl Custody Limited ("Seccl") as the Custodian to provide the custody services described in this schedule (the "Custody Terms"). Seccl is authorised and regulated by the Financial Conduct Authority of 12 Endeavour Square, London, E20 1JN, registration number 793200, to arrange, safeguard and administer custody of cash and assets.
2. Seccl is registered in England, registration number 10430958. To contact Seccl, you can write to 20 Manvers Street, Bath, BA1 1JW.
3. Terms not defined in these Custody Terms have the meaning set out in the Terms & Conditions or the FCA Rules.

2. System Operation - Applying and Transacting

- 2.1 Seccl is authorised to ensure that the custody of the Cash and Assets of the Third-Party Product Provider are kept safe in accordance with Applicable Law.
- 2.2 Any deposits or withdrawals of Cash or instructions to buy, sell or transfer Assets, through the Platform, will be recorded and managed in accordance with the FCA Rules. Seccl will ensure any investment instructions arranged by the Platform Provider are completed in accordance with the Platform Terms & Conditions.
- 2.3 All Cash will be held with an approved bank in a designated client money statutory trust account. The account is held separately from any monies held by either Seccl or the Platform Provider.
- 2.4 Assets will be registered to Digital Custody Nominees Limited ("**Nominee**") which is a wholly owned subsidiary company of Seccl. This arrangement safeguards and segregates the Third-Party Product Provider's Assets from those of Seccl. Seccl accepts the same level of responsibility under the FCA Rules to the Third Party Product Provider for the Nominee.
- 2.5 The Third Party Product Provider's Cash and Assets will be held in a pooled arrangement. This means that Seccl will have records that identify the Third Party Product Provider's ownership and entitlement to Assets. For operational and servicing purposes it is more efficient for Seccl to administer the Third Party Product Provider's investments on a pooled basis.
- 2.6 Where Assets are held in an "omnibus account", the legal title to these Assets will be in the name of the Nominee together with Assets held for other Clients. This means that Assets held for the Third Party Product Provider will not be separately identifiable within the Nominee's account, only in Seccl's books and records. In the event of a default in relation to Assets held in an omnibus account, the Third Party Product Provider may not receive their full entitlement if there is any irreconcilable shortfall in investments and may share with other Clients in the shortfall in proportion to your original share. There may also be a delay in receiving entitlement to such investments.
- 2.7 Where Cash is held in a pooled account together with money from other Clients, the Third Party Product Provider will not have a claim against a specific amount in a specific account. In the event that any bank with which Seccl has deposited the client money was to fail, the Third Party Product Provider may not receive their full entitlement and may share in the shortfall with other Clients in proportion to their original share.

- 2.8 Seccl will have instances where it needs to appoint third-party nominees or sub-custodians to maintain the custody services offered. By agreeing to these Custody Terms, the Third Party Product Provider-authorise Seccl to do this.
- 2.9 Seccl will use reasonable care and due diligence to perform its duties as Custodian.
- 2.10 Where Seccl receives income from the Third Party Product Provider's Assets, for example through dividend payments or fund distributions, Seccl will reconcile and credit these to the Third Party Product Provider's Investment Account(s). All overseas dividends are processed with standard rate withholding tax as applicable for the overseas territory.
- 2.11 As "Corporate Action" events arise (i.e. something that will bring about a change in the investments held for the Third Party Product Provider, such as rights issues, stock splits, mergers and name changes), Seccl will inform the Third Party Product Provider.
- 2.12 Seccl will facilitate the transfer of Cash and Assets in accordance with the Third Party Product Provider's instructions in line with the agreement between SCL and the Third Party Product Provider.

3. Cash Processes

- 3.1. Any Cash deposits or income will be credited to the relevant Investment Account once identified and reconciled by Seccl.
- 3.2 Seccl will pay any and all interest net of any amounts retained by the Platform Provider according to the Third Party Product Provider's agreement with them. Interest is accrued daily and paid monthly, calculated on cleared Cash balances. Interest which accrues on client money accounts will not be treated as client money until it is applied each month.
- 3.3 Where interest cannot be distributed due to rounding differences, the unallocated interest will be paid to a registered charity chosen by Seccl.
- 3.4 Seccl may use a combination of instant access, notice and unbreakable term deposit accounts to diversify the way it holds client money, where notice periods or unbreakable terms may be up to 95 days in accordance with the FCA Rules. In extraordinary circumstances, there may be a delay in receiving any withdrawals.

4. Settlement

- 4.1 Settlement of Assets will be in line with market best practice. Where Assets are traded in Exchange Traded Instruments ("ETIs"), Seccl will normally operate on a delivery-versus-payment ("DVP") settlement basis, which means the full protections of the FCA Rules will not apply to the Settlement of purchase and sale transactions within a specified window using a "commercial settlement system". By agreeing to the Custody Terms, the Third Party Product Provider-permits Seccl to apply the DVP exemption up until any delivery of Assets (purchases) or Cash (sales) passes the third Business Day, after which the full protection of the FCA Rules will apply.
- 4.2 For Model Portfolio and switch orders, Seccl will place a buy order after the sell instruction is confirmed by the Fund manager or the market. Seccl may delay the purchase of ETI orders if the intended Settlement date on the sale of a Fund is a day or more beyond that of the ETI order.

5. Adviser Fees & Charges

- 5.1 Where Adviser Charges are to be deducted from an Investment Account, Seccl will process Adviser Charges in line with instructions submitted to the Platform. This includes any instructions relating to ad-hoc Adviser Charges or a change in the ongoing Adviser Charge rate applied to the Third Party Product Platform Account. We will treat instructions from the authorized Adviser as having been fully authorised by the Third Party Product Provider.
- 5.2 If the Third Party Product Investment Account from which Adviser Charges and/or DFM Charges are being taken no longer has sufficient value to pay these Adviser Charges or DFM Charges, Seccl reserves the right not to pay these Charges. The Platform Provider's Client will still be responsible for paying those Charges to the Adviser or DFM.

6. Liens

- 6.1 Seccl reserves the right to enforce the right of liens (a right for us to hold on to Assets in our possession pending payment of a debt you owe) over the Assets in specific circumstances and where agreed with the Third Party Product Provider and Platform Provider.

7. Communications

- 7.1 All communication with you will be in English through the Message Hub.
- 7.2 Seccl will provide statements monthly and contract notes, which will detail the buys or sells instructed on Third Party Product Provider Investment_accounts. It is the responsibility of the Third Party Product Provider read this information, and it is important to notify Seccl of any errors or omissions in respect of the accuracy of these documents.
- 7.3 Ad hoc statement requests are permitted for which Seccl or the Platform Provider reserves the right to charge a fee.

8. Complaints

- 8.1 Seccl has its own complaints policy. If the Third Party Product Provider has a complaint relating to services provided by Seccl they should raise it with Seccl in writing. If the Third Party Product Provider's client_complain about either its services or those provided by Seccl, the party to whom the complaint was made shall notify the other. Seccl will provide all necessary information to resolve the complaint.
- 8.2 If the Third Party Product Provider or its Client would rather contact Seccl directly, please contact Seccl by email at support@seccl.tech <mailto:complaints@seccl.tech> or by post to The Compliance Officer, 20 Manvers Street, Bath, BA1 1JW.
- 8.3 If we do not resolve the Third Party Product Provider's Client's complaint satisfactorily or fail to resolve it within eight weeks of receiving the complaint, they can also direct their complaint to the Financial Ombudsman Service at:
 - Exchange Tower, London E14 9SR.
 - Telephone: 0800 023 4567 or 0300 123 9 123;
 - email: complaint.info@financial-ombudsman.org.uk; and
 - website: www.financial-ombudsman.org.uk.

9. REMUNERATION

- 9.1 The Platform Provider pays Seccl for custody services. In some cases, this may be paid directly from the Third Party Product Provider-Investment_Account depending on the Third Party Product Provider's_Agreement with the Platform Provider.

10. Conflicts of Interest

- 10.1 Seccl maintain a Conflicts of Interest Policy independent of the Platform Provider. It is available by contacting [Seccl](#).

11. Force Majeure Event

- 11.1 To the extent permissible under Applicable Law, neither the Third Party Product Provider-nor Seccl shall be responsible for any loss or damage suffered by the other by reason of any natural and unavoidable catastrophes that interrupt the expected course of events and restrict the Third Party Product Provider or Seccl from fulfilling obligations under these Custody Terms "). If such loss, damage or failure is, or may occur, due to such an event, each party will use reasonable endeavours to minimise the effects and will notify the other.

12. Data Protection

- 12.1 In acting as the Third Party Product Provider's Custodian, Seccl will have access to the data provided by the Third Party Product Provider. The Third Party Provider's data will be processed in line with its agreement with Seccl.
- 12.2 Seccl will use the Third Party Product Provider's details for regulatory reporting purposes and will not use or share your information for marketing purposes.
- 12.3 Seccl will retain the Third Party Product Provider's Client's data and relevant communications for a period of seven (7) years from the date the Third Party Product Investment Account is closed in line with FCA rules.

13. Use of Third Parties

- 13.1 To provide custody services Seccl will use the services of Third Party service providers.
- 13.2 Examples include the provision of: data and price feeds of assets, the execution of trading instructions, clearing and Settlement services, banking services, client verification, regulatory reporting, card payment services and the facilitation of automated transfer instructions.
- 13.3 Where services are provided by a third party, Seccl will use reasonable care and due diligence in selecting them and monitoring their performance. Except in relation to the services of the Nominee under clause 2.4, Seccl does not guarantee proper performance by the third party and will not itself be responsible if a Third Party provider fails to meet its obligations. If the Third party defaults or becomes insolvent, Seccl will attempt to recover any losses the Third Party Product Provider has suffered. However, if the third party cannot repay its creditors any shortfall may have to be shared proportionally among them, including the Third Party Product Provider and other Clients, and the Third Party Product Provider may lose some or all of their Cash or Assets. This may include circumstances where it is not possible under the relevant national law and the arrangements for the registration of legal title to the Assets to identify the Client Assets from the assets of the Third Party firm. In this situation, the

Third Party Product Provider will not necessarily be entitled to compensation from Seccl and may seek recompense from the FSCS.

14. Account Closure

- 14.1 Where an Investment Account has been closed, Seccl may pay away residual balances below £10 remaining on your Platform Account to a registered charity chosen by Seccl in line with FCA rules.

15. Termination

- 15.1 Seccl may terminate the Custody Terms at any time by giving the Third Party Product Provider three months written notice (subject to Applicable Law).
- 15.2 Seccl may also terminate the Custody Terms with immediate effect by written notice if required to do so by Applicable Law or on instructions from the Third Party Product Provider.
- 15.3 In this event, the Third Party Product Provider will instruct Seccl where to transfer the Client Assets and Cash. Seccl will transfer the Client Assets and Cash in accordance with the relevant instruction or otherwise directly to the Third Party Product Provider. The Custody Terms will continue to apply until the transfer is complete.

16. Severability

- 16.1 If any part of the Custody Terms is declared unenforceable or invalid, the remainder will continue to be valid and enforceable.

19. Liability

- 19.1 Seccl will use all reasonable skill, care and diligence in acting as the Third Party Product Provider's Custodian. Seccl will be liable to the Third Party Product Provider for any direct loss that is the result of negligence or failure by Seccl to account for Cash or Assets in Investment Accounts or through a breach of FCA Rules, unless any such failure is the result of the acts or omissions of the Third Party Product Provider, its Client or the Platform Provider.
- 19.2 Nothing in these Custody Terms shall be read as excluding or restricting any liability Seccl may have for death or personal injury or any duty or liability it may have to the Third Party Product Provider under the FCA Rules or regulatory system.

SCHEDULE 3 ORDER EXECUTION POLICY

1. Introduction

The YOUR Platform has appointed Seccl Custody Limited ("Seccl") to provide custody services. The Order Execution Policy is aimed at providing a general understanding of the typical dealing arrangements provided by Seccl when using the YOUR Platform.

Any reference in this Order Execution Policy "we", "us" and "our" are references to Seccl.

These arrangements may vary for different categories of investment types and are described below. In addition to the Platform Terms & Conditions of the service you consent to this policy, and it will apply each time we receive and place a client order for execution.

This document outlines our Order Execution Policy (the "Policy"), which details our obligation to take all sufficient steps to obtain, on a consistent basis, the best possible result ("Best Execution") when transmitting client orders for execution

2. Transmission

Exchange traded orders

We place all Exchange-Traded Asset orders with Winterflood Business Services ("WBS") for execution. In selecting WBS as our third party broker for execution, we have considered a number of factors, including (but not limited) to:

- the size and type of the transaction/order and the broker's capabilities with respect to the relevant type of order, including its ability to execute the order in an appropriate timeframe;
- the competitiveness of applicable fees and commissions, which may be based on the size of the order or the price of the financial instrument;
- the broker's reputation and responsiveness to requests for trade data and other financial information;
- the broker's system capabilities of routing orders to execution venues where good liquidity is likely to be present;
- statistics and other information by independent consultants on the relative quality of execution services/financial services delivered by the broker;
- past performance in terms of the general value and quality of services provided by the broker;
- consistency of execution services provided.

We have satisfied ourselves that WBS has arrangements in place that enable us to meet Best Execution.

The execution factors applied by WBS when executing any orders that we place with them are set out in Section 3 of this policy. The current execution venues used by WBS are detailed in Section 10 of this policy

Funds

For Funds, client orders will generally be routed to the appropriate Fund manager for execution at the next available Valuation Point for that particular Fund. Clients' orders may be aggregated as described in Section 6

3. Best Execution Factors Applied by WBS

When executing orders, unless otherwise specifically instructed, WBS will use price as the primary measure for achieving Best Execution. The following execution factors will be considered, and how these may be considered as part of the decision-making process in the context of the details below (listed in order of priority for a typical trade). Their importance will vary depending on the characteristics of the client order.

Price

Price will be determined with reference to the execution venues to which WBS connects and on which the security is traded. WBS use automatic execution technology which will source the best price from a range of retail service providers and market makers. Where an electronic price is not available the order will be dealt manually by WBS's dealing team.

Cost

For orders where brokerage or exchange fees are applicable, WBS will not seek to pass these on to you. For international orders, certain costs (such as foreign exchange 'FX') may be passed through to you within the price spread, but WBS deem this to still result in the best overall outcome and hence total consideration for you. Any relevant commission rates will have been agreed with the client in advance.

Likelihood of Execution and Settlement

Likelihood of execution is very high due to the relationships WBS has forged with its market maker and broker counterparties. Likelihood of Settlement is difficult to assess pre-trade, but WBS monitors the Settlement performance of each counterparty so there is a historical track record to base this decision on.

Size

The size of the trade in relation to the liquidity of the stock may have significant influence on the best execution process and is directly correlated to the market impact (implicit costs).

Nature

Consideration will be given to the liquidity of the stock on the order book at the relevant time. Execution may be heavily influenced by the level of on or off order book trading patterns in the stock. These factors plus the size of the order will determine the appropriate execution method. This may include the working of an order into the marketplace using an appropriate benchmark or immediate execution on an outright bid/offer price, for example.

Speed

The importance of speed of transactions will vary. For example, to reduce the implicit costs associated with market impact, an order might be worked over a day or more. Different order types and specific instructions may also have a bearing on the speed of execution.

Other Relevant Considerations

Careful consideration shall be given not just to each element in isolation, but also to any compromise or interaction between these factors. For example, size against market impact or speed against price, any of which might also be influenced by a client's specific instruction.

4. Order Types

At present, we offer one exchange traded order type:

At Best Order – Deal immediately at the best available price for that size of order based on the execution venues available, without the client viewing the price in advance.

5. Specific Instruction

Where you give us a specific instruction as to the execution of an order, we will execute the order in accordance with those specific instructions, and you should be aware that doing so may prevent us from applying this policy to achieve Best Execution. Where your specific instructions relate to only part of the order, we will continue to apply our policy to those aspects of the order not covered by those instructions.

6. Aggregation and Priority

For Funds, orders may be aggregated with the orders of other Clients and bulked prior to executing with the Fund manager. For exchange-traded orders, WBS may combine orders with orders for the account of other clients, or for its own account (including in relation to fractional orders). The aggregation of orders may operate on some occasions to a client's (or its customers') advantage and on some occasions to a client's (or its customers') disadvantage in relation to a particular order. The decision to aggregate will be taken in WBS's sole discretion and where orders have been aggregated, they will be allocated to clients on a pro-rata basis in accordance with WBS's order allocation policy.

Depending on price and the consideration received, the disaggregation of bulked proceeds may result in penny rounding differences which cannot be allocated at individual client level.

7. Charges, Dilution Levy or Exit Charges

For Fund orders, fund managers may levy an initial charge on purchase orders and there is a risk that Fund managers apply a "dilution levy" to the order. This normally happens where there are sizeable buy or sell orders in the market. This is an extra charge placed on the transaction and will be applied proportionately to an order placed. Should this occur, it will be clearly detailed on the order confirmation that we will provide to you.

8. Venues

For exchange-traded orders, WBS may use one or more of the execution venues listed in Section 10 to enable it to obtain the best possible outcome on a consistent basis when executing orders. WBS will regularly assess the execution venues available to ensure the best outcome. The non-exhaustive list of factors which influence their decisions include:

- Cost of Execution
- Level of liquidity available on a consistent basis – market share
- General quality of pricing available
- Cost, speed and reliability of connectivity; and

- Means and costs of clearing and Settlement

9. Monitoring

We will monitor the effectiveness of our policy to ensure that it consistently achieves the best possible result for our clients and to identify whether more favourable results could consistently be achieved by transmitting orders to other brokers or on alternative execution venues. We will review our execution arrangements and this policy at least annually, or whenever a material change occurs that affects our ability to obtain the best possible result for our clients.

Where we identify any deficiencies, we will take appropriate measures and effect suitable changes to our execution arrangements and/or this policy to address such deficiencies. We will notify you of any material changes to our execution arrangements where they are relevant to you and any changes to this policy. Any such changes will come into effect the next time that we receive a client order for execution.

If you wish to discuss the above or have any further questions, please contact us.
